

Below are the points of distribution you received for 2009.

Career Fairs:

- **Ohio/ABX Air Park Job Fair – March 20th 2009**

The city of Williston partnered with Minot to attend a one day career fair for displaced workers in Wilmington Ohio, due to a shutdown of the airpark facility.

- **Veterans Job Fair Job Service Bismarck – Nov 19th 2009**

Hosted by the Job Service of Bismarck, Williston distributed various career level opportunities in and around the area.

Advertising Drivers:

There are also several advertising drivers that we use throughout the year to aid in career searches for individuals. In 2009, \$50,000 was set aside for workforce development efforts/support for community businesses like yours.

Although I do not have the exact numbers, I do know several of your pieces were given out throughout the year by individuals who contacted us as a result of these efforts.
