

**News Radio**  
**KEYZ**  
**660 Country**

AM Stereo 660 KEYZ COUNTRY has been the market leader for over 50 years, providing our listeners with the latest in local, regional and national news; farm and ranch reports and market information; local, state and national sports play-by-play and sports reports; and up-to-the-minute weather information from our Weather Eye Weather department and the National Weather Service.

660 KEYZ COUNTRY is a 5,000 watt Heritage Powerhouse AM Stereo Radio Station that covers 20+ counties and 2 Canadian provinces with a classic country format that targets the 35+ year old listener.

**KYYZ**  
**296.1 FM**  
**Country Thunder**

KYYZ 96.1 FM "COUNTRY THUNDER" was the first FM station on the Northern Plains; and today, features the hottest new country music in America, along with the information our 18-49 year old target audience needs to get their day started and keep it going. With 100,000 watts of power, 296.1 covers a 100 mile radius, centered on the North Dakota-Montana border.

**KTHC**  
**POWER**  
**95.1 FM**

KTHC 95.1 FM "POWER 95.1" is "Sidney's Radio Station", licensed to, and programmed in Sidney, Montana. A 100,000 watt adult contemporary music signal booms out from the North Dakota-Montana border. KTHC 95.1 is the only alternative to country music in the Northern Plains, with a 25+ target audience.

**CHERRY CREEK RADIO, The NORTHERN PLAINS RADIO NETWORK** consists of three (3) **POWERFUL** stations that reach your customers and potential customers in Western North Dakota and Eastern Montana.
