- 14) Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination
- 15) Provision of training to personnel of unaffiliated non-profit organizations interested in broadcast employment opportunities that would enable them to better refer job candidates for broadcast positions
- 16) Participation in other activities designed by the station reasonably calculated to further the goal of disseminating information as to employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities

	Type of Recruitment Initiative (Menu Selection)	Brief Description of Activity
1.	5	Nassau Broadcasting has set up an internship program at all of its radio stations in New England. The internship program is designed to provide students and recent graduates with an opportunity to learn about broadcasting and its supporting areas. Interns get hands on experience in marketing and promotions, engineering, sales support and live broadcasts. There were 13 interns during this time frame.
2.	16	Nassau Broadcasting provides all contest winners, and any visitors of the stations the opportunity to tour the radio stations and talk with the staff. During this time, careers in broadcasting are discussed and visitors are educated about the broadcasting industry. The tour includes information about how the broadcasting industry strives to serve its local community. Visitors are asked to give their opinions as to what the hottest

		topics in the local community are.
3.	8	Nassau Broadcasting provides training to current employees involved in the traffic and promotions department which enables them to gain specific skills needed for promotion. One employee was trained in visual traffic and promoted for the position.
