The 2010 Making Strides Against
Breast Cancer Walk is **Sunday,**
October 17th
at the Masonic Care
Community.

Again this year, we are Making Strides toward a world with more birthdays. Because a world with less breast cancer is a world with more birthdays. And for all of those breast cancer survivors who join us at the event each year as our celebrated guests, "Happy Birthday" is a victory song.

The American Cancer Society's goal is to save lives from breast cancer and create more birthdays by helping people stay well, helping them get well, by finding cures, and by fighting back. And we need your help in the fight. I hope you'll join us at the Pink Ribbon Classic Golf Tournament sponsored by Roser Communications on Friday, August 20 and again on Sunday, October 17 at the annual Making Strides Against Breast Cancer event at the Masonic Care Community.

And, let me be the first to wish you a Happy Birthday this year, with many more birthdays to come.

Hope Starts with us!

Thank you.
