Swiss Bockwurst (WeissWurst) - Bavarian Style White Sausage, finely ground veal and pork, lightly spiced with a hint of white pepper and lemon, fresh herbs and onion added to achieve traditional flavors.

Nürnberger - Thin pork sausages, coarse texture, highly spiced with an addition of fresh marjoram to replicate the famous Wurst of Nürnberg

Bratwurst - Fresh Pork sausage, coarsely ground meat using only the best cuts of lean pork shoulder, Intensely spiced.

Wieners - Smoked Beef and Pork Sausage, finely ground, natural sheep casing gives the traditional "bite" to the sausage, Definitely not a "hot dog"

Knackwurst - Smoked Beef and Pork sausage, finely ground, flavored with extra garlic and onions. Bite into this while hot to experience the "Knach" for yourself.

Krakauer - Smoked Polish Sausage, coarse texture, a touch of paprika and Black pepper gives this Kolbasa a nice spiced flavor.

Hungarian - Hungarian style sausage, coarse texture, the meat is cured and dried before smoking to give the sausage a texture unlike most others, a large amount of Hungarian paprika and a little bit of cayenne pepper give just enough heat to this sausage.

Turkey Bratwurst - Turkey thigh meat is used for this sausage, highly seasoned with Italian sausage spices, you can hardly taste the turkey, Stuffed into hog casing (quite a bit of pork fat is used which makes this sausage way less healthy than most people think.)

Debreziner - All pork Hungarian style sausage with course texture. Extra Hungarian paprika, garlic, and cayenne give the sausage it's flavor and just enough spiciness.

Cheese - Polish sausage with 20% French Emmantaler cheese. Intense nutty flavor and smooth creaminess from cheese

Andouille - Cajun style Andouille. Pepper, onion, celery, garlic are main spices. Red Chili pepper flakes and Cayenne make it spicy, but not overbearing.

Vegetarian Sausage - Organic tofu sausage, with sun dried tomato, basil, black pepper, garlic and chili pepper.
