

# April: Celebrate Young Children!

**Y-102 WYBR** and **Great Start Collaborative/MOISD** salute parents in our communities and offer special thanks to others who work to create a safe environment for our kids to live in, opportunities to grow and learn from and provide health services to keep our kids strong.

**JOIN BRIAN GOODENOW** every weekday morning in April to hear from people in the community who provide services, products and programs for our youngest citizens!

---
