

Military and Veteran Appreciation Week

November 4–11, 2013

The Tippecanoe County Military Resource Network, which is comprised of many community organizations, will hold a Military and Veterans Appreciation Week to honor our veterans, active duty, National Guardsmen and Reservists, who so honorably serve our nation. We also honor their families who have endured great sacrifices in order for these members to serve. If you would like to join our community network, please contact Martina Sternberg at msternbe@purdue.edu.
